Parish Council Application

Holy Trinity Parish Pastoral Council consists of the Pastor, the Parochial Vicar, the Parish Administrator, and twelve voting members. The members serve three-year terms with four new members elected every year. The council meets monthly, excluding July. Members of the Council help the pastor identify, implement and evaluation pastoral initiatives and policies by attending the meetings, participating in the meetings, being active and aware of the happenings in the parish, listening to the parishioners and their concerns, and visioning the future for the parish of Holy Trinity. Each Member should be prepared to accept additional responsibilities as needed for the benefit of achieving specific goals that are identified annually. If you feel compelled to serve as a member of this council, this is your chance. Please complete the application below and take in person or mail or email to our office. **Deadline to apply is January 31, 2018**
